

A MENU WITH A STORY

This menu has been crafted on sustainable apple paper. Its delicate fibers come from the by-products of apple processing and perfectly reflect the Artifex philosophy of appreciation, quality, and a conscious approach to resources. We invite you to take this menu home as a keepsake of your evening with us.

"AT THE ARTIFEX, I LIVE MY PHILOSOPHY:
WITH DEDICATION, CLARITY AND A LOT OF HEART.
MY DISHES TELL THE STORY OF MY ORIGINS, MY CRAFT,
MY CONVICTIONS AND ENCOUNTERS – AND THE QUIET JOY WHEN
EVERYTHING COMES TOGETHER."
